CLEAN UP AT END OF MEET: Since this is an LSC hosted meet, all SI teams are responsible to assign a couple of people to help clean up after the meet. We will be taking down tarps, putting away tables and chairs etc- Sean Redmond, the meet director, will assign groups to different tasks which should take us about 45 min total to complete. After prelims, the younger side of the pool will be dismantled and put away so we will need help then also. Thank you all in advance for assisting in making this a quality meet.
