2025 SI LC AG CHAMPIONSHIP MEET INFORMATION SHEET

ALL TEAMS WILL SET UP OUTSIDE THE POOL DECK IN THE BACK

Per the facility, teams cannot set up tarps until **after 6 am on Thursday**. Teams are encouraged to bring their safe sport pop up tents for athlete changing.

Your tarps may be set up anywhere outside as long as a fire lane (no tarps in the drive way area) is not blocked.

The bleachers will be designated for parents only- swimmers (no teams/swimmers and no tarps/chairs in the bleachers).

Coaches may set up tarps for themselves on the scoreboard side of the pool.

Meet jobs have been assigned to teams- large teams may have multiple jobs.

This meet is a positive check-in meet: All swimmers must check in each day. If a swimmer would like to check in for Friday on Thursday, please come to the office to do so.

Swimmers who have entered more than six events will need to scratch down to only six events for the meet and no more than 3 per day.

RELAY CARDS DUE: 12/u Thur & Fri: 9:30 am. 13/0 Sat & Sun: 9:00 am (this is before the start of the meet each day)

SCRATCH FROM FINALS: Swimmers may scratch from finals and must do so within 30 minutes of the announcement of the prelim results. Scratch book will be in the office.

HOSPITALITY: Will be provided for coaches and officials.

SNACK BAR: There will **NOT** be a snack bar at the meet so please plan accordingly.

Any parent working as a volunteer is expected to be doing their job while on deck and not interacting with their swimmers, using a recording device or using their phone while their swimmer is racing or while they are timing or being a meet marshal. There is no photography behind the blocks or cell phone usage at the start end for an event.

2025 SI LC AG CHAMPIONSHIP MEET INFORMATION SHEET

Parents are only allowed in the bleacher area (not anywhere else on deck) unless they are timing or being a meet marshal. Parents may enter the bleacher area from the driveway or from the front of the pool. **Please respect the caution tape and signs.**

RESTROOMS: Athlete restrooms will be located up the stairs outside the back of the pool deck and the restrooms located under the bleachers by the football field. Parents and adult athletes (18 yr old) may to use the restrooms on the pool deck near the entrance.

Officials and meet personnel may use the deck restroom near the start area.

ANNOUNCING: We are limited to the announcing that we are allowed to do inside the pool deck. We will add several speakers at the blocks so the swimmers will be able to hear the start. We will try and set up some announcing outside the pool deck in the back where the teams will be sitting. Teams sitting in the courtyard behind the office will not be able to hear any announcing as the facility stated we can only announce in the quad area beyond the courtyard. We will also post the seeding & results out in the back on the wall between the courtyard and quad. **Swimmers are responsible for getting to their lanes on time and checking the results that will be posted to see if they qualify for finals on Saturday & Sunday.**
